Legacy of the Jedi

FOUR GENERATIONS OF JEDI ONE COMMON ENEMY

The Jedi Temple is a place of secrets and trust. Inside its walls, a legacy is passed down from generation to generation of peace, justice, and strength. But that legacy can be broken. Sometimes the greatest enemies rise from within...

Lorian Nod is a promising Jedi apprentice. A Padawan named Dooku is his best friend. Under the watchful eye of Yoda, they are preparing to become Jedi Knights. Dooku knows their fate is intertwined... yet he is not prepared for a turn of events that reveals the dark side to him for the first time.

Years later, Dooku is a Jedi Master and Lorian Nod is a pirating outcast. With an unforeseen desire for revenge, Dooku works to thwart his former friend—even if it means crossing his own apprentice Qui-Gon Jinn...

When Qui-Gon himself becomes a Jedi Master, the specter of Lorian Nod still looms. As Qui-Gon and Obi-Wan Kenobi struggle to find their place as Master and Padawan, they must work together to prevent an interplanetary threat—and to outwit a very familiar enemy...

During the Clone Wars, Lorian Nod wants to play a pivotal role as the Republic battles to keep hold of a strategic planet. On one side, Obi-Wan and his apprentice, Anakin Skywalker, must decide whether they can trust such an infamous figure. On the other side, the now compromised Count Dooku has a score to settle against his old nemesis...

Secrets of the Jedi

THREE GENERATIONS OF JEDI. THREE UNTOLD SECRETS.

A Jedi is never to fall in love....
Grieving for the loss of his friend Tahl, Jedi Master Qui-Gon Jinn has been sent back to the Jedi Temple to recover. But this peace is soon shattered by an urgent mission — a young boy with a knack for technology has intercepted a message that indicates a mass assassination of planetary leaders is about to take place. It is up to Qui-Gon and his apprentice, Obi-Wan Kenobi, to protect the boy from the bounty hunter assassins...and to foil the deadly plot.

Joining Qui-Gon and Obi-Wan on their mission are the Jedi Master Adi Gallia and her headstrong apprentice, Siri. Obi-Wan and Siri have been sparring friends for a long time. But as the assassins' pursuit tightens, they find their relationship beginning to change in an unexpected direction...

A generation later, Obi-Wan, Siri, and the boy they tried to save are reunited once more — with the fate of the Clone Wars hanging on the outcome. Old tensions rise once more — as well as new conflicts and secrets. Obi-Wan's apprentice, Anakin Skywalker, has many things to hide, and when his secret wife, Padmé Amidala, joins the Jedi mission, the risks become even greater than before.

SECRETS ARE DANGEROUS.
SECRETS ARE DIFFICULT.
SECRETS CAN KILL.
